

AIKS KOREAN STUDIES CONFERENCE

ATENEKO KOREAN STUDIES CONFERENCE PROCEEDINGS

VOLUME 3, 2016

Revisiting the Korean War: History, Memory and
Its Implications on Contemporary Nation-Building

The Ateneo Korean Studies Proceedings is the official publication of the Ateneo Korean Studies Program (KSP) produced out of its annual Korean Studies conferences that address a wide array of themes across diverse disciplines. Formerly labeled as AIKS Conference Proceedings, KSP makes available this publication to the public through the platform, Ateneo Journals Online (AJOL). The proceedings contain a combination of authored papers and/or transcribed presentations by conference speakers and participants. It therefore reflects the viewpoints of the presenters and the conference audience, which do not necessarily represent the position of KSP. The publication of this material has been made possible through the support of the Academy of Korean Studies Grant (AKS-2016-K26) and the kind assistance of the Journals Coordinator of the Office of the Associate Dean for Research and Creative Work of Ateneo de Manila University.
